

Attention

All Montana FCCLA Chapters

To show recognition to each chapter, advisor, member, community service project, sponsor, school, or any other aspect of Family, Career, and Community Leaders of America, we invite you to design your own chapter slide. The slides will be shown on the “big screen” prior to each session. Please be creative and give recognition to yourselves and all others who deserve it.

Ideas:

- Group Picture**
- Names of Members**
- Name of Advisors**
- Sponsors**
- Pictures of Activities**
- Animation**
- Graphics**
- Mascot/Colors**

The “Fine Print”:

Each chapter will be limited to two slides. Each slide will be limited to 15 seconds, so use the 15 seconds with animations and other effects. The base slide must include the school name and the FCCLA logo along with the advisor name. If a chapter fails to complete a slide, one will be provided for them (it will only contain the minimum requirements). If you have any questions, contact Janet Chalmers at fcclajanet@yahoo.com. Please have the slides e-mailed to Janet by January 14th, 2005. All slides must be done in power point. If there

are any programs needed to run animations, those must be sent to, via CD, internet, or floppy disk.
